City Crews Keeping BA Clear and Clean

As the city prepares for another snowfall, city crews continue their diligent work to keep our streets safe for drivers. Workers have logged more than 1,300 hours, used almost 2,600 tons of sand and 280 tons of salt. Crews were staggered to ensure 24-hour cleaning of our once ice-packed streets.

City sanitation crews have not missed a pickup since the storm began last Monday. They have carefully navigated through residential streets to make sure the trash needs of our citizens are met.

City to Host Jr. Olympics Skills Competition

The city will once again host the local Jr. Olympic Skills Competition and Nienhuis Park Gymnasium will be the site of the Sectional Jr. Olympics for all of northeastern Oklahoma.

The local competition is scheduled for Saturday, March 24th, starting at 9 a.m. Participants must pre-register before that date, and a copy of their birth certificate is required. Registration forms are available at either the Nienhuis Park Community Center (3201 N. 9th) or the Central Park Community Center (1500 S. Main).

Winners from all northeastern Oklahoma local competitions will qualify for the sectional, which will be held June 30th at Nienhuis. Regional champions will then compete nationally.

Age groups are 8-9, 10-11 and 12-13. Age is determined as of Aug. 31, 2007.

Those entered may compete in one or more of the four events. Basketball consists of scoring as many points as possible from designated shooting areas. Soccer entrants will dribble, shoot and score in the fastest time possible. In the USTA Rapid Rally Tennis field, competitors will serve and continue to hit a low-compression tennis ball against the wall as many times as possible. In Track and Field, they will sprint 50 meters and compete in the standing long jump.

For more information, call the Nienhuis Community Center at 355-0287, or stop by one of the community centers.
